

Since we all came from a woman,  
Got our name from a woman  
And our game from a woman,

I wonder why we take from our women  
Why we rape our women,

## Do we hate our women?

I think it's time to  
kill

time to  
heal

for our women,

our women,

be  
real

to our women,

And if we don't, we'll have a race of babies  
That will hate the ladies that make the babies

And since a man can't make one,

He has to right to tell a woman when and where

to create one.
